

United States Boxer Association Scorebook Application

Scorebooks issued by the United States Boxer Association are required for participation in all United States Boxer Association Sieger and Conformation Shows, ZTP Exams, and Korung Exams, and IPO Trials. Scorebooks issued by other organizations are accepted for entry into United States Boxer Association *working trials* only. Only one scorebook is issued/required for a dog and the scorebook must be transferred with the dog when and if the dog's ownership changes.

To receive a scorebook, fully complete this application, attach all required documentation and mail to the United States Boxer Association office address listed at the bottom of the form.

Applications must include the following:

1. A copy of your *current* club membership card.
2. Copy of the dog's registration papers if purebred/registered. If you indicate on the application that the dog is a purebred, a valid registration certificate from an FCI recognized entity (AKC, etc.) must be included with the application. If that is not included, the dog cannot and will not be identified in the scorebook as a purebred or registered dog of any breed. Dogs do not need to be registered or purebred to be issued a scorebook for working trials. For a mixed breed or unregistered dog, you need only include the name, sex, and date of birth on the application.
3. Copy of the dog's hip certificate (BK, OFA, or Penn-Hip) if completed (not required to obtain a scorebook)
4. If the dog has already achieved an IPO rating under a recognized judge, proof of each title must be included with the application.
5. Check or money order for payment:
Current United States Boxer Association Members - \$15 per scorebook
All non-members - \$30 per scorebook.

Replacement of lost scorebooks:

If your scorebook is lost or destroyed, you must submit a written request for a replacement to the club office along with a \$15.00 replacement fee.
